
Watch It Takes A Man And A Woman Full Movie English Subtitles [WORK]

Man and woman: directed by Claude Lelouch. Anouk Aimã©, Jean-Louis Trintignant, Pierre Baroux, Valerie Lagrange. The widow and the widower find their ... happiness and naturally want to share it. They have nothing in common with each other, but their fate, their life is so close, they feel each other so much that they cannot be happy without each other. The film is very gentle, beautiful, pure, it gives a lot of food for thought about love and life. The director, it seems to me, very correctly expressed the idea that each person lives in his own world, and when this world comes into contact with another world, a miracle happens, this is what is called love.
