
A plan for the general operations of a person other than those required for the operations of a business or organization, unless the person is a business or organization, based on the ability of the owner to manage, direct, and control business activities and operations. Includes the staffing and development of a business. Considers all organizational aspects of a business except where organized for profit.. Daniels, Kevin. A plain-English guide to financial planning.. Learning to Read in Early Childhood. -Highlights..

..... . plan contable general empresarial r\ay iphone apps Plan Contable General Empresarial.pdf As defined by the National Association of Certified Accountants (NACAS), a general planning or budgeting is a general, non-business-specific, statement of projected or actual expenses and revenues of an organization or business. The document is most often employed in the business and accounting of a company, but can be appropriate for smaller, non-profit organizations as well. It is also commonly used by volunteers, educators, etc. The general plan is sometimes called a financial forecast, budget, or income statement, depending on the subject matter. Sometimes plans are broken into yearly and quarterly versions.. Download the plan contable general empresarial in PDF for free. More details. Words: 2,265; Pages: 5. Preview . Review 2.
