The same 11 FIFA silhouettes of players from around the world are featured on the front and back, with a brand new FIFA logo on the inside. The FIFA logo is detailed inside, with the logo mirroring the letter 'F' and the 'A' in FIFA 21. This time, the FIFA logo is in the shape of FIFA's "HyperBall", which was revealed at this year's FIFA eWorld Cup. The new and improved FIFA

is playable in 4K, includes a new season pass option, and features up to six teammates (your own and your friends) on a single pitch. FIFA is the world's most popular sports game with over 390 million players across 200 countries, and many of them will be curious to see what changes have been made to improve the game. FIFA 22 is a marked departure from last year's title, which focused on realistic football, and instead of bringing on board a whole new football engine, this year we're returning to the genre that made us fall in love with the game in the first place: the authentic and fun-to-play Counter-Strike-style football. FIFA is the world's leading videogame franchise and the best-selling sports video game franchise of all time. FIFA was developed by EA Canada. What is the “Powered by Football” series? EA SPORTS FIFA is powered by Football. Inspired by real-world football from around the world, it brings the intensity, emotion and unpredictability of the sport into video games and delivers innovative gameplay features that immerse players into the most popular sport on earth. The FIFA series is built on a foundation of gameplay innovation including a football simulation engine and physics engine. In FIFA, the game engine has evolved over the past 15 years to deliver the complete football gameplay experience. FIFA Ultimate Team is built on the same gameplay engine and features a wide range of players and authentic gameplay. The “Powered by Football” series of titles represents EA SPORTS’ commitment to delivering an authentic and complete football experience on all platforms. What is FIFA '20? EA SPORTS FIFA '20 features gameplay innovations and improvements that deliver an unprecedented level of realism and a more authentic football experience, while continuing the innovative mantra of previous FIFA titles. The entire game

has been optimized for PlayStation®4, Xbox One and PC. FIFA '20 will be available worldwide on October 27. For more information on FIFA '20, visit the game's website: What is the "anniversary" edition? The "anniversary" edition includes updates to all the game modes in the game and new additions to Ultimate Team such as new items for players, stadiums and Ultimate Team packs, as well as lighting improvements to FMLL and VSML modes. What are the major improvements in the FIFA '20 anniversary edition?

- Engage - FIFA '20 introduces a new and improved Player Intelligence System that delivers improved decision-making skills for players, and a new engagement system that better simulates the critical roles of the players and their personality traits. Players now feel more powerful on the ball and in the final third, making them feel much more natural during an attacking run or interception. The improvements to Player Intelligence have been determined by independent testing at various stages of the development process. FIFA '20's Player Intelligence System and decisions are inspired by what players are doing in real life.
- Attacking Patterns - Facing the pressure
